HPQR – Certificate

HPQR-No.: {CERTNO}

Hessian Pre-Qualification Register
for supplies, services and works

This certificate attests that the company mentioned above is registered in the HPQR for the operating activities listed in the enclosure.

This certificate is valid up to **{VALID_TO}**, as long as it will not be revoked.

The certificate does not exclude that a contracting entity might require additional, contract-related evidences in a given case.

If preconditions of the registration or explanatory contents change, the owner of the certificate will have to inform the Auftragsberatungsstelle Hessen e.V. (Contract Advisory Centre Hesse) immediately.

In case of disregarding, the consequences mentioned in the leaflet have to be taken.

This certificate as well as the required proofs for the registration in the Hessian Pre-Qualification Register can be viewed on the internet, www.hpqr.de, specifying the HPQR certificate number {CERTNO} as pdf-document.
